

Vision + Granicus

THE LEADERS IN ALL FACETS OF DIGITAL CITIZEN ENGAGEMENT

Regardless of how your citizens want to engage, Granicus and Vision have you covered. Our goal is to deliver the first integrated platform to help government serve and engage the modern citizen.

- **Modernize Your Website:** Delight your citizens with a true service-oriented website.
- **Enable Paperless Transactions:** Simplify online transactions with paperless forms and digital signatures.
- **Grow Your Target Audience:** Leverage the GovDelivery Network to increase engagement.
- **Communicate Across Channels:** Leverage email, text and social media to promote new content.
- **Elicit Input:** Ask citizens to provide feedback on programs and policies via multiple channels.
- **Share Videos:** Go beyond written content by creating and sharing live and on-demand videos.
