

**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS**

CONSENT REQUEST

TO: Board of County Commissioners (BoCC)
Philip Morley, County Administrator

FROM: David Goldsmith, Interim Director of Community Development (DCD)
David Wayne Johnson, Project Planner

DATE: April 11, 2016

SUBJECT: Granicus "Speak Up" Software Purchase and Service Agreement

STATEMENT OF ISSUE: Jefferson County will be updating its Comprehensive Plan over the next two years and an important part of the process is engaging the citizens and eliciting their feedback as required under the Growth Management Act (RCW 36.70A.130 & 140) through a "Public Participation Program" (P3). One important component of the P3 is an on-line, interactive citizen-base web-portal called, "Speak Up," where people who cannot attend public meetings can still be informed, engaged and submit feedback on issues pertinent to the Update, through the DCD webpage. The request is for signing the purchase and service agreement of the software for this on-line portal called, "Speak Up."

ATTACHMENTS:

- Completed Contract Review Form
- Original Service Agreements for signing

ANALYSIS: The agreement is necessary to proceed with installation and setup of the software for the web-portal. The web-portal is simply a link on the DCD webpage and does not require maintenance for the IT department. All setup and maintenance will be done by DCD staff with assistance from Granicus, the software provider. The software allows a number of different features staff can use to inform and elicit feedback the citizens, such as surveys, comments and even voting on proposals.

ALTERNATIVES: No other reasonable and/or affordable alternative was identified after research into similar software modules. The subject software was recommended by the City of Port Townsend where it is currently being used for their Comp Plan Update specifically, and for general public input in general.

FISCAL IMPACT/COST BENEFIT ANALYSIS: The agreement is for a term of three years at \$300.00 a month to be disbursed from funds earmarked for the Comp Plan Update by DCD. The benefit of the software is to offer an alternative to the public who wish to be involved in the Update process, but can't easily attend the associated meetings, while being compliance with RCW 36.70A 130 & 140.

RECOMMENDATION: Staff recommends the BoCC review and sign the attached two (2) original agreements.

2.3 Limited Warranty; Exclusive Remedies. Subject to Sections 6.1 and 6.2 of this Agreement, Granicus warrants that the Granicus Software, as provided by Granicus, will substantially perform in accordance with the functionality and features as described in the Proposal for as long as the Client pays for and receives Managed Services. Client's sole and exclusive remedy for any breach by Granicus of this warranty is to notify Granicus, with sufficient detail of the nonconformance, and provide Granicus with a reasonable opportunity to correct or replace the

defective Granicus Software. Client agrees to comply with Granicus' reasonable instructions with respect to the alleged defective Granicus Software.

5.1 Each Party shall retain all right, title and interest in and to their own Trademarks, including any goodwill associated therewith, subject to the limited license granted pursuant to Section 5.2 hereof. Upon any termination of this Agreement, each Party's right to use the other Party's Trademarks pursuant to this Section 5 terminates.

5.2 Each Party grants to the other a non-exclusive, non-transferable (other than

as provided in Section 5 hereof), limited license to use the other Party's Trademarks as is reasonably necessary to perform its obligations under this Agreement, provided that any promotional materials containing the other Party's Trademarks shall be subject to the prior written approval of such other Party, approval of which shall not be unreasonably withheld.

6. LIMITATION OF LIABILITY

6.1 Warranty Disclaimer. Except as expressly provided herein, Granicus' services, software and deliverables are provided "as is" and Granicus expressly disclaims any and all express or implied warranties, including but not limited to implied warranties of merchantability, and fitness for a particular purpose. In no event will Granicus' and its suppliers' and licensors' liability exceed the total amount of Managed Services Fees paid by Client under this Agreement for the six (6) month period prior to the date the claim arose, regardless of the form of the claim (including without limitation, any contract, product liability, or tort claim (including negligence, statutory or otherwise)).

7. CONFIDENTIAL INFORMATION & OWNERSHIP.

7.1 Confidentiality Obligations. Each party agrees to keep confidential and not disclose to any third party, and to use only for purposes of performing or as otherwise permitted under this Agreement, any Confidential Information of the other Party. Each party agrees not to disclose the Confidential Information to any of its Representatives except those who are required to have the Confidential Information in connection with this Agreement and then only if such Representative is either subject to a written confidentiality agreement or otherwise subject to fiduciary obligations of confidentiality that cover the confidential treatment of the Confidential Information.

8. TERM

8.1 The term of this Agreement shall commence on the date hereof and shall continue in full force and effect for thirty-six (36) months after the date hereof. This Agreement shall automatically renew in perpetuity for terms of one (1) year each, unless either party notifies the other in writing at least thirty (30) days prior to such automatic renewal that the party does not wish to renew this Agreement.

8.2 Rights Upon Termination. Upon any expiration or termination of this Agreement, and unless otherwise expressly provided in an exhibit to this Agreement:

(a) Client's right to access or use the Granicus Solution, including Granicus Software, terminates and Granicus has no further obligation to provide any services;

(b) Client shall immediately return the Granicus Software and all copies thereof to Granicus, and within thirty (30) days of termination, Client shall deliver a written certification to Granicus certifying that it no longer has custody of any copies of the Granicus Software.

(c) Client shall refer to Exhibit E for the four (4) termination/expiration options available regarding Content.

8.3 Obligations Upon Termination. Upon any termination of this Agreement,

(a) the parties shall remain responsible for any payments that have become due and owing up to the effective date of termination;

(b) the provisions of 2.1, 2.4, 3, 4, 5, 6., 7, 8.2, 11, and 12 of the Agreement, and applicable provisions of the exhibits intended to survive, shall survive termination of this Agreement and continue in full force and effect;

(c) pursuant to the termination or expiration options regarding Content as set forth on Exhibit E, Granicus shall allow the Client limited access to the Client's Content, including, but not limited to, all video recordings, timestamps, indices, and cross-referenced documentation. The Client shall also have the option to order hard copies of the Content in the form of compact discs or other equivalent format; and

(d) Granicus has the right to delete Content within sixty (60) days of the expiration or termination of this Agreement.

9. PATENT, COPYRIGHT AND TRADE SECRET INFRINGEMENT.

9.1 Granicus' Options. If the Granicus Software becomes, or in Granicus' opinion is likely to become, the subject of an infringement claim, Granicus may, at its option and sole discretion, (i) obtain for Client the right to continue to use the Granicus Software as provided in this Agreement; (ii) replace the Granicus Software with another software product that provides similar functionality; or (iii) if Granicus determines that neither of the foregoing options are reasonably available, Granicus may terminate this Agreement and refund any prepaid fees to Client for which it has not received the services.

10. INTERLOCAL AGREEMENT.

10.1 This Agreement may be extended for use by other municipalities, school districts and governmental agencies upon execution of an addendum or other signed writing setting forth all of the terms and conditions for such use, including the products and services and fees applicable thereto. Any such usage by other entities must be in accordance with the City Code, Charter and/or procurement rules and regulations of the respective governmental entity.

11. MISCELLANEOUS.

11.1 Amendment and Waiver. This Agreement may be amended, modified, waived or canceled only in writing signed by each of the parties hereto or, in the case of a waiver, by the party waiving compliance. Any failure by either party to strictly enforce any provision of this Agreement will not be a waiver of that provision or any further default.

11.2 Governing Law. The laws of the State of Washington shall govern the validity, construction, and performance of this Agreement, without regard to its conflict of law principles.

11.3 Construction and Severability. Wherever possible, each provision of this Agreement shall be interpreted so that it is valid under applicable law. If any provision of this Agreement is held illegal or unenforceable, that provision will be reformed only to the extent necessary to make the provision legal and enforceable; all remaining provisions continue in full force and effect.

11.4 Independent Contractors. The parties are independent contractors, and no other relationship is intended by this Agreement.

SpeakUpSM combines the power of social innovation and crowdsourcing with an online forum to help agencies prioritize projects and make the best decisions for their community. Citizens can vote on, comment on, and share other citizens' ideas, as well as their own.
